

***Remarks***

Allowed claims 1-12 and 15-19 are pending in this application, with claims 1, 10, 12, and 15 being the independent claims.

This Amendment corrects a formal matter without changing the scope of the claims. Specifically, paragraph 59 of the specification is sought to be amended to correctly describe the method as depicted in Figure 6 as originally filed. Paragraph 59 had been amended previously in the Amendment and Reply filed on April 15, 2003. This Amendment adds no new matter. Accordingly, Applicants respectfully request that this Amendment be entered. Prompt and favorable consideration of this Amendment is respectfully requested.

Respectfully submitted,

STERNE, KESSLER, GOLDSTEIN & FOX P.L.L.C.
